Addendum No. 1

Responses to Bidders' questions will be included in Addendum No. 2 which should be completed within the next two weeks.

This RFP includes a list of equipment brands that the State currently has installed and that require maintenance. If additional brands have been sold to Using Agencies and those brands need to be maintained, the State will consider adding those brands to the RFP.

These brands must fit the intent of this particular section of the RFP which is for maintenance/upgrade of existing systems and have been sold to a State Agency, Quasi-State Agency, County, Municipality, School District, County College or State College. Along with the request to add a brand to the RFP, bidders must submit the name of the Using Agency, a contact person and a phone number to verify that the Using Agency needs to maintain the equipment. In addition, if the equipment fulfills the standardization and compatibility requirements of the Using Agency, the Purchase Bureau may consider the inclusion of the brand in this RFP.

If additional brands are added to the RFP, the Purchase Bureau will advise all bidders by an addendum.

Bidders must submit any request to add a brand to the RFP to the Purchase Bureau by December 15, 2004.

Sincerely yours,

Antoinette Laudati
